

Landowner information form

Natural Areas and Historic Sites of Douglas Co.

Personal information	
Name	
E-mail	
Phone	
Information on Natural Area	
Location (TRS) <i>Add dot to map at the forum, if possible</i>	
Description of land (hay meadow, pasture, woodland, wetland, shrubland, etc.)	
If you are the landowner, are you considering land management work on this property (ex: brush removal, wildflower planting, burns, etc.)?	
What limitations have you experienced in your land management work (ex: financing, resources, expertise)?	
Would a visit from Kansas Biological Survey staff benefit your restoration project? (Would you like to be contacted?)	
Are there historic features or buildings on the property?	

The information on this form is for internal use only and will not be shared publicly.

Please return this form to: Kansas Biological Survey
Attn: Jennifer Delisle
2101 Constant Avenue
Lawrence KS 66047
