

UNIVERSITY OF KANSAS FIELD STATION
Amphibians and reptiles

Scientific name	Common name	Field Station North	Baldwin Woods	Anderson County
AMPHIBIANS				
Ambystomatidae				
<i>Ambystomata texanum</i>	Smallmouth Salamander			x
<i>Ambystoma tigrinum</i>	Eastern Tiger Salamander	r		
Pelobatidae				
<i>Spea bombifrons</i>	Plains Spadefoot	n		
Bufonidae				
<i>Anaxyrus americanus</i>	American Toad	m	x	x
<i>Anaxyrus woodhousii</i>	Woodhouse's Toad	m		
Hylidae				
<i>Acris blanchardi</i>	Blanchard's Cricket Frog	a	x	x
<i>Hyla chrysoscelis</i>	Cope's Gray Treefrog	m	x	x
<i>Pseudacris maculata</i>	Boreal Chorus Frog	m	x	x
Ranidae				
<i>Lithobates areolata</i>	Crawfish Frog			x
<i>Lithobates blairi</i>	Plains Leopard Frog	a		x
<i>Lithobates catesbeianus</i>	American Bullfrog	a		x
<i>Lithobates sphenoccephalus</i>	Southern Leopard Frog			x
Microhylidae				
<i>Gastrophryne olivacea</i>	Western Narrow-mouthed Toad	n		x
REPTILES				
Chelydridae				
<i>Chelydra serpentina</i>	Snapping Turtle	m		x
Emydidae				
<i>Chrysemys picta</i>	Painted Turtle	s		x
<i>Terrapene carolina</i>	Eastern Box Turtle	r	x	x
<i>Terrapene ornata</i>	Ornate Box Turtle	r	x	x
<i>Trachemys scripta</i>	Pond Slider			x
Crotaphytidae				
<i>Crotaphytus collaris</i>	Eastern Collared Lizard	i		x
Teiidae				
<i>Aspidoscelis sexlineata</i>	Six-lined Racerunner	n		x
Scincidae				
<i>Plestiodon anthracinus</i>	Coal Skink		x	

<i>Plestiodon fasciatus</i>	Common Five-lined Skink	a	x	x
<i>Plestiodon obsoletus</i>	Great Plains Skink	r		x
<i>Plestiodon septentrionalis</i>	Prairie Skink	n		x
<i>Scincella lateralis</i>	Little Brown Skink	m	x	x
Anguidae				
<i>Ophisaurus attenuatus</i>	Slender Glass Lizard	m		
Colubridae				
<i>Carphophis vermis</i>	Western Wormsnake	m	x	x
<i>Coluber constrictor</i>	North American Racer	a	x	x
<i>Diadophis punctatus</i>	Ring-necked Snake	a	x	x
<i>Lampropeltis calligaster</i>	Yellow-bellied Kingsnake	m	x	x
<i>Lampropeltis holbrooki</i>	Speckled Kingsnake	r		x
<i>Lampropeltis triangulum</i>	Eastern Milksnake	m		
<i>Nerodia erythrogaster</i>	Plain-bellied Watersnake			x
<i>Nerodia sipedon</i>	Common Watersnake	m	x	
<i>Pantherophis emoryi</i>	Great Plains Ratsnake	r	x	x
<i>Pantherophis obsoletus</i>	Western Ratsnake	m	x	x
<i>Pituophis catenifer</i>	Gophersnake	r		x
<i>Regina grahamii</i>	Graham's Crayfish Snake			x
<i>Storeria dekayi</i>	Dekay's Brownsnake	m	x	x
<i>Storeria occipitomaculata</i>	Red-bellied Snake		x	
<i>Tantilla gracilis</i>	Flat-headed Snake	n		x
<i>Thamnophis proximus</i>	Western Ribbonsnake			x
<i>Thamnophis sirtalis</i>	Common Gartersnake	a	x	x
<i>Tropidoclonion lineatum</i>	Lined Snake	r		x
<i>Virginia valeriae</i>	Smooth Earthsnake	r	x	x
Viperidae				
<i>Agkistrodon contortrix</i>	Copperhead	m	x	x
<i>Crotalus horridus</i>	Timber Rattlesnake	m		
<i>Sistrurus catenatus</i>	Massasauga			x

a = abundant, m = moderately abundant, r = rare, s = single record of occurrence, n= no longer found due to habitat changes, i = introduced species with no extant population, x = present
